Maintenance and Care

• Clean the surface frequently or on a regular basis to keep it bright and lustre.

• Clean the Bathroom accessories by using clean water, soft fabric and clear glass cleaner, mild detergent or non-abrasive liquid polish.

• DO NOT use acidic or harsh cleaners as this can corrode the Bathroom accessories surface.

• DO NOT use any coarse cleaner, powder, or brush to clean the Bathroom accessories.

• After cleaning, rinse the tapware again thoroughly and dry with a soft cotton cloth.

Installation

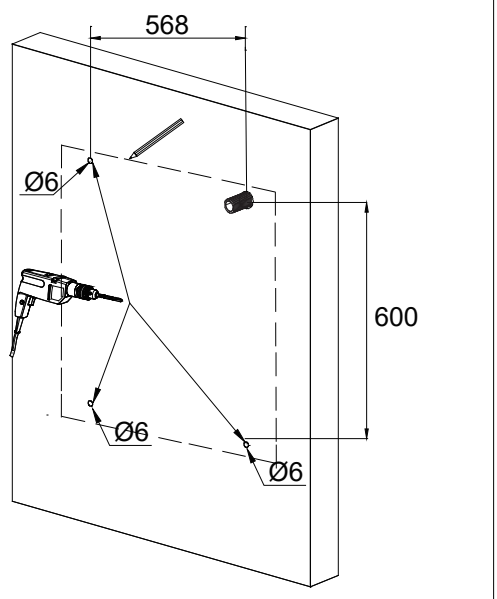

1. First, use a pencil to mark out the approximate area for product installation. Place the base against the wall where it needs to be installed, mark the mounting hole position with a pencil, and drill the corresponding hole position with a drill according to the indicated dimensions.

2. Insert the rubber pellets into the hole. Align the mounting base with the mounting hole, adjust the position, and secure it with screws.

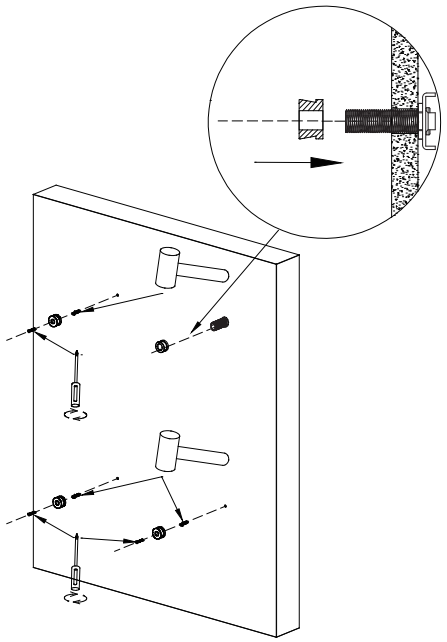

3. Leave the wires out of the holes. Install the product, connecting positive to positive, negative to negative.

4. Install the product with the wire connected on the mounting base and tighten the screws on the side.
