Installation Guide

PLUMBER REQUIRED AS/NZS 3500

01

Position Mixer Body

Place the mixer body in position and mark the required cut-out area.

02

Connect Hoses

Remove the body and connect the hot (red) and cold (blue) hoses to the correct inlets.

03

Reinstall / Connect Water

Reinstall the mixer body and connect the hoses to the water supply. Turn on the water and check for leaks. Tighten if needed.

04

Attach Hand Shower

Connect the hand shower to the mixer body.

FINAL CHECK - TURN ON & TEST

Turn on the mixer and check that everything is working properly with no leaks.

Care & Maintenance

KEEP THE FINISH

MILD SOAP & WARM WATER

Clean gently to keep the surface bright.

SOFT CLOTH ONLY

Never use scourers or rough pads.

NO CITRUS, BLEACH OR ABRASIVES

These can damage the surface and affect longevity.
